No two children could be more different than Zofia and Tom. Noisy Zofia lives happily with her dad as her Mum died when she was born. She buzzes with a wild energy that makes her irresistible but also something of a handful. Quiet, anxious Tom lives with his mum. He is full of fears largely caused by his scarily violent father who is now in prison. He longs to be more outgoing but doesn't know how to manage it. They are about to start living together and also to become half siblings to a new baby in a blended family that neither of them wants to be part of. Each tells their story in a series of contrasting short episodes that brilliantly capture their contrasting characters and their journey towards this enormous change in their lives. Katya Balen has a rare gift for understanding what it feels like to be a child and creating characters that reflect that that vividly.

Wuthering Heights / Bronte Emily

Livre

[Bronte Emily](#)

Edité par [Alma](#)

The tale of Heathcliff and Cathy's ungovernable love and suffering, and the havoc that their passion wreaks on the families of the Earnshaws and the Lintons, shocked the book's first readers, with even Emily's sister Charlotte wondering whether it is right or advisable to create beings like Heathcliff. Replete with unforgettable characters and situations that have seared themselves into our literary consciousness, Emily Brontë's intense masterpiece is one of the most haunting love stories in the canon of English literature.

It ends With Us / De Colleen Hoover

Livre

[Hoover, Colleen \(1979-..\). Auteur](#)

Édité par [Simon & Schuster](#) - 2016

SOMETIMES THE ONE WHO LOVES YOU IS THE ONE WHO HURTS YOU THE MOST Lily hasn't always had it easy, but that's never stopped her from working hard for the life she wants. She's come a long way from the small town in Maine where she grew up - she graduated from college, moved to Boston, and started her own business. So when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily's life suddenly seems almost too good to be true. Ryle is assertive, stubborn, and maybe even a little arrogant. He's also sensitive, brilliant, and has a total soft spot for Lily, but Ryle's complete aversion to relationships is disturbing. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan - her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. With this bold and deeply personal novel, Colleen Hoover delivers a heart-wrenching story that breaks exciting new ground for her as a writer. It Ends With Us is an unforgettable tale of love that comes at the ultimate price. This book contains graphic scenes and very sensitive subject matter..

It Starts With Us / De Colleen Hoover

Livre

[Hoover, Colleen \(1979-..\)](#). Auteur

Édité par [Simon & Schuster](#) - 2023

Lily and her ex-husband, Ryle, have just settled into a civil co-parenting rhythm when she suddenly bumps into her first love, Atlas, again. After nearly two years separated, she is elated that for once, time is on their side, and she immediately says yes when Atlas asks her on a date. But her excitement is quickly hampered by the knowledge that, though they are no longer married, Ryle is still very much a part of her life and Atlas Corrigan is the one man he will hate being in his ex-wife and daughter's life. Switching between the perspectives of Lily and Atlas, *It Starts with Us* picks up right where the epilogue for the bestselling phenomenon *It Ends with Us* left off

Neverwhere : the author's preferred text / Neil Gaiman

Livre

[Gaiman, Neil \(1960-..\). Auteur](#)

Édité par [Review/Headline Book Pub. London](#) - 2005

Under the streets of London lies a world most people could never dream of. When Richard Mayhew stops to help a girl he finds bleeding in the street, his unremarkable life changes in an instant. This act of kindness leads him to a place filled with murderers and angels, pale girls in black velvet, a Beast in a labyrinth and an Earl who holds Court in a tube train. It is strangely familiar yet utterly bizarre. Here is London Below, the city of people who have fallen between the cracks. And for Richard Mayhew, it's just the beginning.

Middlesex / Jeffrey Eugenides

Livre

Eugenides, Jeffrey (1960-..). Auteur

Édité par [Fourth Estate](#). London - 2013

This is a story about what it means to occupy the complex and unnamed middle ground between male and female, Greek and American, past and present. For Cal, caught between these identities, the journey to adulthood is particularly fraught. Jeffrey Eugenides' epic portrayal of Cal's struggle is classical in its structure and scope and contemporary in its content; a tender and honest examination of a battle that is increasingly relevant to us all.
